

WELCOME TO ISLAMORADA

"The Crown Jewel of the American Tropics"

Cheeca Lodge is located at mile marker 82 in the heart of beautiful Islamorada, in the Florida Keys. A unique destination – surrounded by warm, shimmering waters – Islamorada is as rich in maritime history as it is in marine life. And our glorious setting symbolizes the essence of The Keys' island ambiance. There's time here to celebrate the beauty of the natural environment, and there's pleasure taken in the warmth of its delightful island climate.

For over 60 years, Cheeca Lodge has served a devoted clientele within a 27 acre enclave of secluded relaxation. Lush tropical landscaping, a private sandy beach, award-winning dining, spa, golf and resort amenities, and of course, world class sport fishing – all are hallmarks of the Cheeca Lodge experience.

Now we are pleased to present our most exciting recent innovation; the exclusive and irreplaceable private membership of the Cheeca Lodge & Club.
